Every Hero has a Story! Summer Reading Program 2015

Register for Programs! Beginning Tuesday, May 26 you may sign up for Summer Reading Program and register for any events you want to attend. Each child will keep a registration card at the library where we will record the number of library books he/ she reads.

We ask that you pre-register for programs, either in person or by phone, so we are prepared for all participants. Programs are held at all three library locations, and you may register at whichever library is most convenient for you. If you sign up for a program and cannot attend, please let us know.

This Year's Theme is *"Every Hero has a Story!"* We will be honoring the different kinds of heroes in our lives. Every week's programs will include project stations, games, and activities. Parents and caregivers are encouraged to accompany their children. We have also scheduled visits from some very special guests, and field trips outside of the libraries.

Reading Incentives! As usual, we will offer small fun prizes to keep our readers motivated! Here's how we give prizes: First, we assign different point values to different types of books. Picture books and I-Can-Read books are worth 1 point each. Chapter books and Non-fiction books are worth 3 points each. Every time the reader reaches 12 points, they receive an incentive prize.
Here's the order of the prizes this year:

1st 12 points: Temporary tattoo and mustache whistle 2nd 12 points: Magic Color Scratch Bookmark
3rd 12 points: Superhero Glider 4th 12 points: Dragonfly flier
Every 12 point completion after that is a pick from the grab bag.

Children participating in the Book Buddies program can count the books they read in Book Buddies for Summer Reading Program prizes!

Check out what we've planned for you this summer!
