Registration is required!

Mondays at 6:30 pm

CHALLENGE ACCEPTED

GET READY TO CUT, COLOR AND CREATE!

AUTHOR MERRILL RAINEY VISIT

WEDNESDAY JULY 16 1:00 PM

@LUCKEY BRANCH LIBRARY

Books will be available for purchase

Weekly Color Project Programs @ All Three Locations

Radiant Red! Our take-home project is creating a giant cardboard pizza slice: you can add sauce, cheese, pepperonis, even googly eyes! Everyone will make an oversize flower to add to an enormous vase for the group art project.

Yay for Yellow! We are working with yellow air-dry clay to create a sun-face sculpture to take home, and coloring our traced handprints in warm colors to create a sunburst group mural.

Gorgeous Green! Decorate and personalize your own walking stick to take home and create a tree to add to our green forest mural.

Beautiful Blue! Passive programs this week, which means you can come and do them anytime. There will be a blue scavenger hunt, and a sunprint project. Make one sunprint to take home and make another one for our mural.

Incredible Indigo! Build an Indigo stick sculpture to bring home and color a hexagon to add to our Shades of Dark Blue mural. This program is following our Wood County Park visit.

Outstanding Orange! Make your own friendly orange cardboard cat, and contribute your artistry to a colorful drip mural.

Perfectly Purple! It's our Messy Art Week Celebration! We will be trying some unusual (and fun) ways of creating art. (Please dress for the mess!)

Activity Centers: You can do a different colorful make-it/take-it project each week!

Marvelous Monarchs and Colorful Caterpillars! Friday, July 18 10:30 am at Pemberville

Learn about raising Monarch Caterpillars from a local expert, make some Eric Carle-inspired art, enjoy a "Very Hungry Caterpillar" buffet, and make your own Monarch caterpillar bracelet!

Do you love to see these giant balloons in the sky? Now you can see one up close!

"Wait for It" is six-story high hot air balloon. Pilot Andy Gross will demonstrate how the balloon is inflated and will answer all your hot air balloon questions. You can even help pack it up at the end of the demo.

Weather permitting, this program will be at Harrison Park Thursday June 26 at 6:30 pm. Rain date is Thursday, July 10 at 6:30 pm.

Absolutely no smoking or vaping will be permitted during the demo.
